## What is going on at KKC?

At KKC, we have been busy. In this newsletter, we will share some of our news with you, our valued clients.

We are excited to be celebrating our 50th anniversary this year of practicing law in this area and serving the community. We are grateful to our founders, Robert Kahan, Sol Kerensky, Joe Capossela and Bill Breslau.

KKC was honored with the 2013 Corporate Citizen Economic Development Award from the Tolland County Chamber of Commerce for our service to the community. We received the award at the Tolland County Chamber of Commerce annual meeting. Pictured at the right are Attorney Dory Famiglietti, Lorraine Hicks and Eva Holmes receiving the award.

This year, Cindy Foley, a Real Estate Paralegal in our Storrs office celebrated her 25th year with KKC. Ms. Foley joined the firm in 1989. We are happy to celebrate this milestone with Cindy.

As we have in the past, Attorneys and Staff of KKC will be present at the Mansfield on the Green in September. We attended the Kidsafe Bowl-a-thon at Spare Time in March and some of

our attorneys and staff were at the Kidsafe Car Show at Golf Land in August. We were also a prize sponsor at the Hockanum Valley Community Council fundraiser at Sonny's Place in Somers in August for their mini-golf tournament. Attorney Doug Manion presented a bike to the lucky winner.

Watch for KKC's new website this Fall along with our new logo.

## KKC is Helping the Community

Every month at KKC, our Fundraising Committee picks a local charity to sponsor and we have a Denim Day to raise money for that charity. We have also had in-house bake sales, a silent auction and a bake off as additional fundraisers. We have raised money for the following charities: Relay For Life, Vernon Community Arts

Center, Kidsafe, ECHN and the Hockanum Valley Community Council, to name a few. Last year we sponsored a Mansfield family at the holidays and KKC staff and attorneys bought holiday gifts for the family in need.

One of our monthly charities was the UCONN Scholarship Foundation for Sandy Hook Elementary School. Pictured are Gregory Knott from the UCONN Scholarship Foundation, Attorney Steve Sutton, Eva Holmes, Karen Welch and Lorraine Hicks of KKC from one of our Denim Days.
